Since 1975

SK Offset, founded in 1975, has effectively developed a culture consistent with the company's core principles and ethics.

SK Group: A Legacy of Excellence & Innovation.

In the last five decades, SK Group has transformed from a humble beginning into a diversified, industry-leading conglomerate. What started as a small printing press has evolved into a dynamic force shaping the landscape of multiple sectors. We view our present success not as a destination, but as a springboard to launch ourselves towards even greater heights.

step we take is guided by a deep sense of responsibility and a commitment to positive social impact.

From Offset Printing to Packaging Powerhouse...

SK Group is not just a name represent the unwavering spirit of innovation that propels us forward. Each entity within the SK Group operates with a laser-sharp focus on excellence, striving to set new benchmarks across the printing, packaging, and binding industries.

Our Mission

Delivering exceptional printing solutions with innovation, quality, and sustainability.

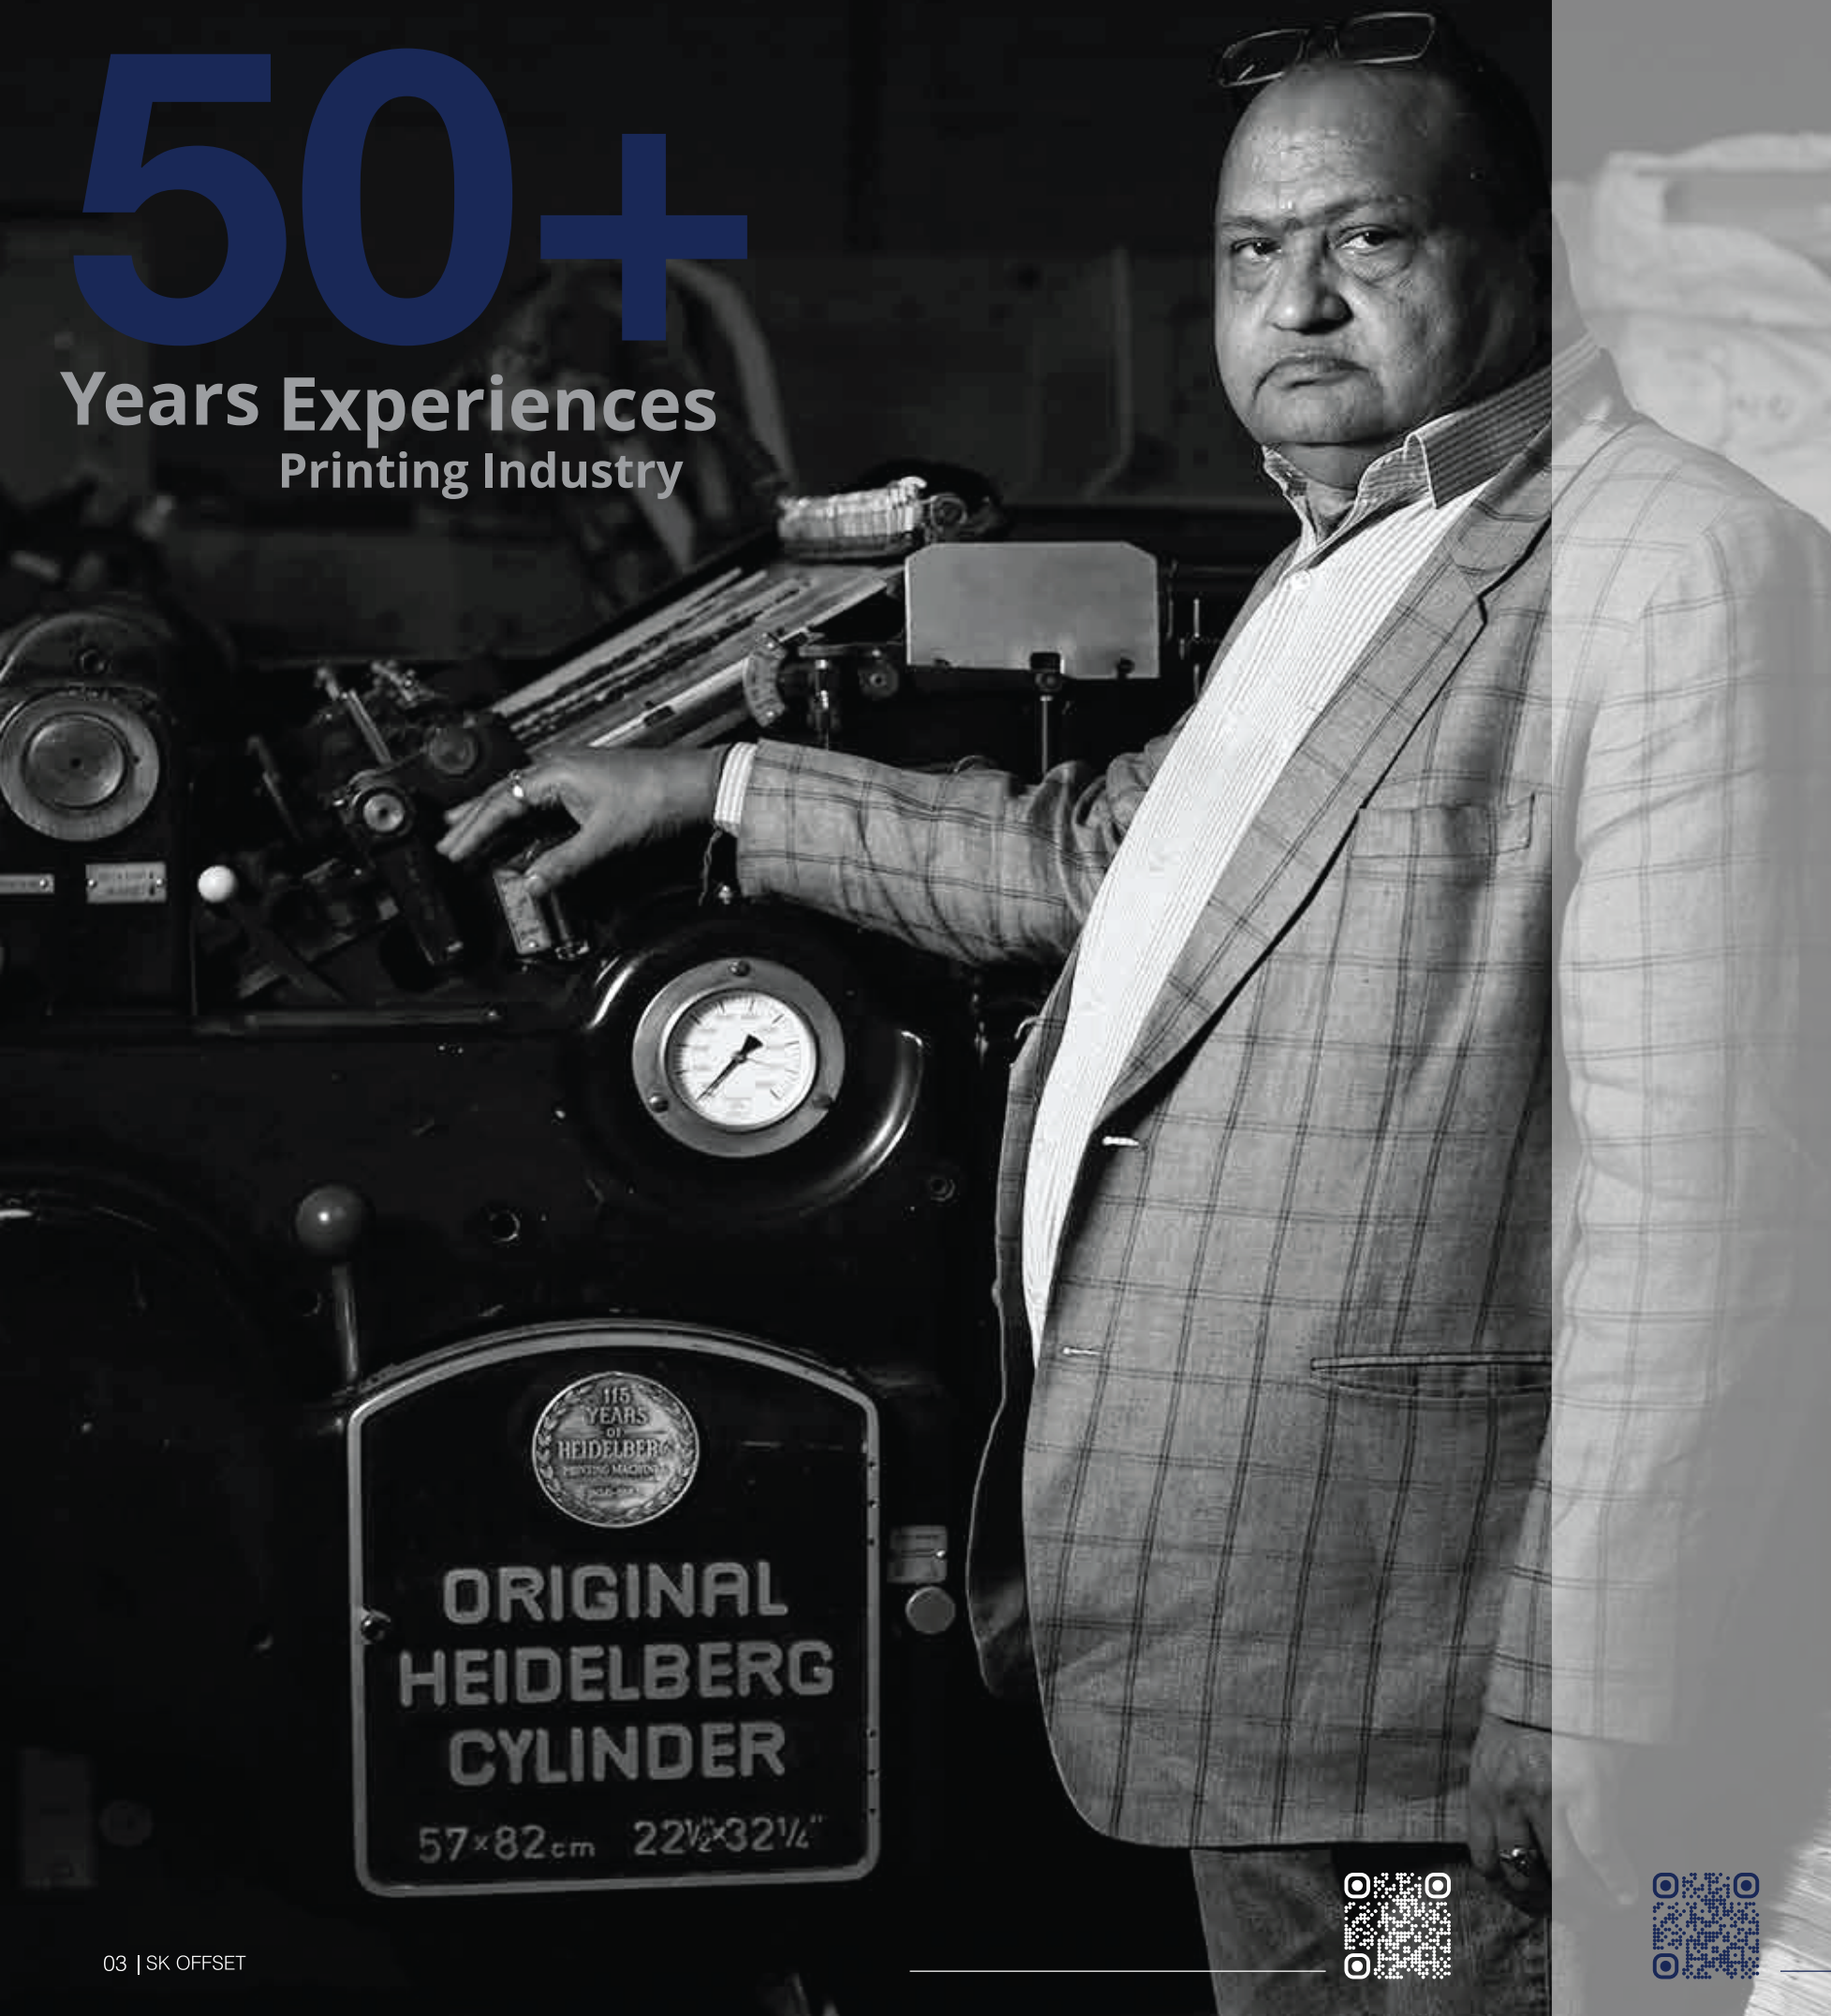

Our Vision

Providing high-quality printing and offset services that exceed client expectations.

Years Experiences
Printing Industry

THE IDEA

A Dream Come True

Together, we are building a legacy of excellence and innovation. Together, we are shaping the future. Together, we are making dreams come true.

The visionary leader behind SK Group, Mr. Pradeep Agarwal, has provided the unwavering guidance and unwavering support that have been instrumental in our success. His passion, dedication, and deep understanding of the industry have laid the foundation for our growth and continue to inspire us to achieve even greater heights.

Mr. Pradeep Agarwal
Founder & Chairman

A Team Driven by Passion and Purpose...

The heart of SK Group is its people. Our team members are not just employees; they are passionate individuals driven by a shared vision and a collective commitment to excellence. We believe in fostering a culture of creativity, collaboration, and continuous learning, empowering our team to rise to every challenge and exceed expectations.

Embracing Change, Shaping the Future...

The world around us is changing at an unprecedented pace. Technology is evolving, consumer preferences are shifting, and the competitive landscape is becoming more dynamic than ever before. At SK, we don't shy away from change; we embrace it. We are constantly innovating, exploring new technologies, and adapting to the evolving needs of our customers and stakeholders.

Meeting Every Challenge Head-On...

We understand that the road to success is rarely smooth. There will be challenges, obstacles, and setbacks along the way. However, we are confident in our ability to overcome any hurdle. Our unwavering spirit, our commitment to excellence, and our unwavering belief in the power of innovation will guide us through any storm.

Team SK

The Heart and Soul of Excellence

At SK Offset Ltd., we believe that teamwork is the cornerstone of our success. We are more than just a collection of individuals; we are a cohesive unit driven by a shared passion for excellence and a commitment to exceeding client expectations.

Working in Sync: The Power of Collaboration.

We believe that open communication, healthy interaction, and seamless collaboration are key to achieving our objectives rapidly and efficiently. At SK Offset, we encourage a culture of teamwork where every member's voice is heard and valued. We brainstorm ideas together, share knowledge and expertise, and support each other in every step of the project. This collaborative spirit fuels our creativity, fosters innovation, and ultimately leads to exceptional results.

A Dedicated Team: Our Most Valuable Asset.

Our team is composed of highly qualified and skilled individuals who are passionate about printing and committed to exceeding customer expectations. We invest heavily in training and development programs to ensure our team is equipped with the latest skills and knowledge to tackle any challenge. We believe in empowering our team members, fostering a culture of ownership and accountability, and encouraging continuous learning and growth.

Committed to Excellence Through Certifications

At SK Offset, we are dedicated to exceeding our standards and consistently delivering exceptional printing and packaging solutions. We believe that obtaining recognized certifications is not just a formality but a testament to our commitment to quality, safety, and environmental responsibility.

ISO 9001:2015 Quality Management System (QMS)
This certification demonstrates our commitment to meeting international quality standards and ensuring consistent customer satisfaction.

ISO 14001:2015 Environmental Management System (EMS)
This certification signifies our dedication to minimizing our environmental impact and operating in a sustainable manner.

BRC Global Standards for Packaging and Packaging Materials
This certification ensures that our packaging materials meet the highest standards for safety and quality, protecting your products and providing peace of mind.

Benefits of Certifications:

Earning recognized certifications demonstrates to clients our commitment to excellence and reinforces trust in our services. Implementing certified management systems leads to continuous improvement in our processes, resulting in higher quality products and a safer working environment.

Our Values

Where Ethics Meet Excellence

At SK Offset, we believe that a sustainable and ethical work environment is crucial to achieving true excellence. We are committed to creating a workplace that is not only productive and efficient but also environmentally responsible and socially conscious.

Environmentally Responsible :

Sustainable practices: We are dedicated to incorporating eco-friendly technologies and practices throughout our operations. This includes reducing energy consumption, minimizing waste, and using recycled materials whenever possible.

Soil, Water, Air, and Effluent Quality :

We closely monitor and manage the soil, water, air, and effluent quality at our plants to ensure minimal environmental impact.
Commitment to Sustainability: We are actively involved in various initiatives to promote environmental sustainability and contribute to a greener future.

Socially Conscious :

Client Certified for Social Responsibility: We are proud to be recognized by several clients for our commitment to social responsibility.

Compliance with Labour Laws: We adhere to all applicable labor laws and regulations, ensuring fair treatment and safe working conditions for all our employees.

Staff Welfare: We are dedicated to the well-being of our employees and provide them with opportunities for professional growth, development, and personal fulfillment.

No to Child Labour: We firmly oppose child labor and actively work to prevent its exploitation in our supply chain and within our company.

VERTICALS

Packaging Solution

Elevate Your Brand Experience

Your packaging is more than just a box. It's a silent ambassador, captivating customers, showcasing your brand story, and driving sales. At SK Offset, we believe in creating packaging that elevates your brand experience and leaves a lasting impression.

Comprehensive Options: From folded cartons and liner cartons to corrugated boxes and blister packs, we offer a diverse range of packaging solutions to meet your specific needs.

Design & Printing Synergy: Our team of skilled designers collaborate with our printing specialists to create packaging that is visually stunning, informative, and consistent with your brand identity.

Label Printing

Your Brand's Voice Starts Here

At SK Offset, we believe your label is more than just an identifier. It's your brand's voice, a powerful tool for grabbing attention, communicating value, and leaving a lasting impression. We're dedicated to providing exceptional label printing solutions that empower businesses of all sizes to make their mark.

Experience the SK Offset difference

Unmatched Variety: Explore a vast selection of materials and finishes, from paper and vinyl to synthetic and metallic, ensuring your label is durable and visually captivating.

State-of-the-Art Technology: Experience vibrant Colors, crisp text, and high-quality graphics with our cutting-edge printing technology.

Customizable Solutions: Whether you desire unique shapes and sizes or exquisite finishing touches like foil stamping and embossing, we bring your vision to life.

Flexible Production: Benefit from our adaptable production capabilities, catering to large and small orders with the same commitment to quality.

Books & Publication Printing

Bringing Stories to Life

At SK Offset, we believe that every printed page holds the potential to transport readers to new worlds and ignite imaginations. We understand the importance of quality and craftsmanship when it comes to book printing, and we are dedicated to helping authors and publishers bring their stories to life with exceptional results.

Unwavering Quality: We use high-quality sheet-fed printing presses and premium materials to ensure vibrant Colors, crisp text, and consistent results across every page.

Binding Options for Every Story: Choose from perfect binding, saddle stitching, case binding, or hardcover binding to create the perfect format for your book.

Design Expertise: Our experienced designers collaborate with you to create a visually captivating and easy-to-read book layout that complements your story.

From novels and textbooks to magazines and publications, let SK Offset be your trusted partner and transform your words into cherished printed masterpieces.

INTEGRATED PACKAGING PORTFOLIO

Prototyping and Sampling

Prior to full production, we create prototypes and samples for your review. This gives you the opportunity to experience your packaging firsthand and confirm that it meets your design vision and practical requirements.

Infrastructure

Where Imagination Meets Impeccable Execution

SK OFFSET: A Legacy of Quality, Precision, and Lasting Impressions.

Our production lines are equipped with latest machineries supported by highly skilled manpower, with years of dedicated service in various printing fields and hands on experience. Our protocols and systems are in tune with international standards and requirements. Be it books – soft or hard cover, your corporate identity, promotional or packaging needs, you can entrust us with any task, large or small, and be rest assured that it will be executed with absolute perfection and quality.

At SK Offset Ltd., we aim to provide end to end printing and packaging solutions to our clients by developing qualitative, innovative and defect free solutions at the most competitive prices. Quality is the essence of our philosophy at work. We have imbibed the principles of Total Quality Management in our production processes. This ensures that we are able to cater to ever increasing demands of our customers. Only providing defect free solutions is not enough, one needs to provide these highly qualitative, defect-free solutions at the most competitive prices.

Our Quality Control Lab and In-house Ink Kitchen is fully equipped and works round the clock. We have all the necessary equipment to test print quality as shown: GSM Tester, BS Tester, COBB Tester, Moisture Tester, Compression Tester etc.

Premium Printing Catered to your needs

At SK Offset, we understand that your printing needs are unique. Whether you require a full-service solution for a complex publication or a customized packaging design, our team of innovative professionals is here to partner with you every step of the way. We are more than just printers; we are your trusted collaborators, dedicated to turning your vision into reality.

From Conceptualization to Completion: Seamless Project Management.

With SK Offset, you can expect a seamless and worry-free printing experience. Our team works closely with you from the initial conceptualization stage, brainstorming ideas, and understanding your specific requirements. We then meticulously plan every aspect of the project, ensuring efficient execution and delivery that exceeds your expectations.

Bringing Your Packaging Visions to Life: The Power of Creativity and Collaboration.

At SK Offset, we believe that packaging is more than just a container; it's an opportunity to tell your brand story and connect with your customers on an emotional level. Our team of creative professionals brings your packaging visions to life, designing solutions that are both visually appealing and functionally effective. We work collaboratively to ensure your packaging is not only aesthetically pleasing but also aligns perfectly with your brand identity and marketing goals.

Decades of Experience, Unwavering Commitment to Quality.

Since 1975, SK Offset has been a trusted provider of exceptional printing solutions, earning a reputation for quality, reliability, and customer satisfaction. We leverage our decades of experience and industry expertise to deliver superior printing results every time.

State of the Art Manufacturing

Where Imagination Meets Impeccable Execution
SK OFFSET: A Legacy of Quality, Precision, and Lasting Impressions.

At SK OFFSET, we believe printing is more than just ink on paper. It's about translating your vision into reality, crafting tangible expressions of your ideas that resonate with lasting impact. Our commitment to quality is unwavering, driven by a deep-seated passion for meticulousness and craftsmanship. Every project we undertake is an opportunity to showcase our expertise, ensuring your printed materials are executed flawlessly and with minute perfection.

Efficiency, Price Effectiveness, and Client Relationships: The Cornerstones of Our Success.

We understand that in today's dynamic world, efficiency, price effectiveness, and strong client relationships are paramount to success. That's why we have implemented streamlined processes and best practices across our operations, ensuring your projects are delivered on time and within budget. At SK OFFSET, our clients are not just business partners; they are valued collaborators. We cultivate genuine relationships built on trust, transparency, and a shared commitment to excellence.

Adopting Change, Embracing Innovation: Staying Ahead of the Curve.

The world of printing is constantly evolving, and SK OFFSET has always been at the forefront of change. We are proactive in adopting and integrating the latest technologies and advancements, continuously expanding our expertise to meet the ever-changing needs of our clients. From pioneering sustainable printing practices to exploring cutting-edge digital solutions, we are committed to staying ahead of the curve and delivering unparalleled value.

Personalized Service :

We take the time to understand your specific needs and tailor our solutions to meet your unique requirements.

Competitive Prices :

We offer competitive pricing without compromising on quality or service.

On-time Delivery :

Your project will be delivered on time and within budget, every time.

Unwavering commitment to customer satisfaction: We are dedicated to exceeding your expectations and building long-term partnerships based on trust and mutual respect.

Why settle for anything less than the best? Choose SK Offset and experience the difference that our cutting-edge technology, redundancy and reliability, and unwavering commitment to quality can make. Contact us today to discuss your printing needs and discover how we can help you achieve your vision.

Quality

The Cornerstone of Excellence at SK Offset

Unwavering commitment to quality is the bedrock of everything we do at SK Offset. From the cutting-edge technology we invest in to the expert team we hire, every aspect of our business is designed to deliver superior printing and packaging solutions that meet and exceed international standards.

Quality Policy: A Rigorous Standard We Uphold.

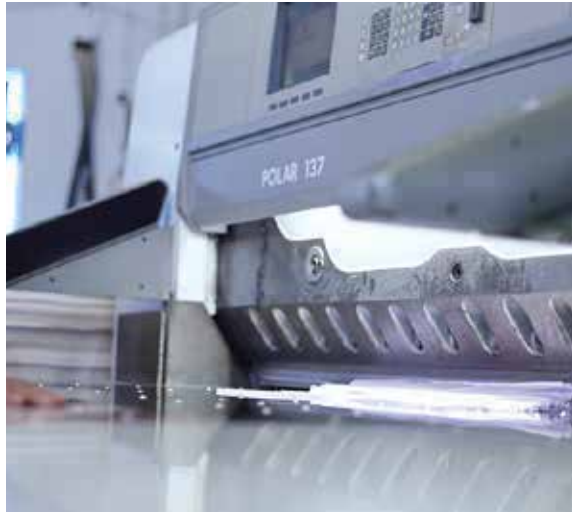

At SK Offset, we hold ourselves to the highest quality standards. Every single piece of printed material undergoes meticulous quality control (QC) checks before proceeding to packaging. This ensures that only flawless products reach our customers, guaranteeing their satisfaction and exceeding their expectations..

Quality Assurance: Your Guarantee of Excellence.

We at SK Offset, Meerut, are committed to consistently meeting and surpassing our customers' quality expectations. Our dedication to quality is not just a policy; it's a core value that permeates every aspect of our operations. We continuously invest in training our employees, implementing the latest quality control procedures, and acquiring state-of-the-art technology – all to ensure that your printed materials are nothing short of exceptional.

Why SK Offset?

Cutting-edge technology

State-of-the-art printing machines: We utilize the latest printing technologies to ensure high-quality, vibrant Colors, crisp text, and consistent results.

Innovative software: We leverage advanced software to optimize our workflow, minimize errors, and ensure efficient project execution.

Sustainable practices: We are dedicated to incorporating eco-friendly technologies and practices to reduce our environmental impact.

Redundancy and Reliability

Multiple production lines: We have multiple production lines to ensure that your project is completed on time, even in the event of unexpected occurrences.

Backup systems: We have robust backup systems in place to prevent downtime and ensure the smooth operation of our facilities.

Skilled team of professionals: Our team is comprised of highly trained and experienced professionals who can handle any printing challenge with expertise and precision.

Quality management systems

Rigorous quality control: Every step of the printing process is subject to stringent quality control checks to ensure that only flawless products reach our customers.

International quality standards: We adhere to the highest international quality standards, guaranteeing exceptional results that meet your expectations.

Continuous improvement: We are committed to continuous improvement, constantly reviewing and upgrading our processes to ensure we deliver the best possible results.
